

MERCORELLA GROUP

## ONE DISTRIBUTION CENTRE IN SOUTH AUSTRALIA NEVER MISSES THE MARK.

Retailers demand on-time supply with very tight delivery windows. Miss by minutes and you'll be left at the gate. Which is hardly ideal with a truck full of perishables. That's why the Mercorella Group's Distribution and Consolidation Centre is the perfect solution.

With 14,800m<sup>2</sup> of multi-temperature zoned warehousing, it is ideally placed, just 15 minutes from the Adelaide CBD, as a single central destination for your products. We can then complete your order processing, consolidation, preparation and labelling – or just deliver the goods – to one or any number of destinations across South Australia and Northern Territory. On time and cost-efficiently.

Call Mick Mercorella to find out more or get a free consultation on a package tailored to your business, on (08) 8280 8150, 0414 327 086 or email [mmerc@mercorella.com.au](mailto:mmerc@mercorella.com.au)

So you'll never miss the mark again.
